Student Absence

School attendance is compulsory in the state of Wisconsin. Regular school attendance is essential for acquiring a quality, Christian education. Realizing that situations may keep students from being in school on a given day for a period of time (sickness, death of a relative, dentist, etc.), we ask that you call the school by 9:00 am if your child will be absent. Please schedule as many dentist, doctor, or other appointments around the school calendar/school day as is possible. St. Lucas does record absence length by the quarter day. There is a difference between a tardy and a quarter day absence. If a student exceeds 10 days of absence, his/her promotion to the next grade may be reviewed.

When your child returns to school, a written excuse is required. This document may serve as a written excuse. Please return to your child's teacher.
